Never Seen The Righteous Forsaken (Donald Lawrence)

I was young and now I'm old
Seen a lot of situations unfold
Been a lot of places, met all kinds
But there's one thing that stays on my mind

Out of all the things I've done
All the places I've gone
And the things I've seen

Said, "I never seen the righteous forsaken"
Said, "I never seen the righteous forsaken"
Said, "I never seen the righteous forsaken"
Nor his seed begging bread"

You don't have to worry about a thing
If you're holy and righteous
You don't have to worry about a thing
If you're holy and righteous

Said, "I never seen the righteous forsaken"
Said, "I never seen the righteous forsaken"
Said, "I never seen the righteous forsaken"
Nor his seed begging bread"

I never seen it.

Hang On GEI featuring Kierra Sheard Verse 1

What you gonna do when your back's against
the wall? How're you gonna smile when it
seems all hope is lost? Tell me.

What you gonna do when you need a little
more grace? How you gone respond when
they try to test your faith?

(Choir repeats)

Chorus

Hang on in there. Hang on in there.

Verse 2

What you gonna do when your strength gets
a little weak? What song will you sing when
you're feeling incomplete? Tell me.

What you gonna do when you try and almost
slip?

What you gonna do when it seems you're
losing your grip? (Choir repeats)

(Follow as directed.)

Lift Every Voice and Sing

Lift every voice and sing
Till earth and heaven ring,
Ring with the harmonies of Liberty;
Let our rejoicing rise,
High as the listening skies,
Let it resound loud as the rolling sea.
Sing a song full of the faith that the dark
past has taught us, Sing a song full of the
hope that the present has brought us, Facing
the rising sun of our new day begun,
Let us march on till victory is won.

Stony the road we trod,
Bitter the chastening rod,
Felt in the days when hope unborn had died;
Yet with a steady beat,
Have not our weary feet
Come to the place for which our forefathers
sighed?
We have come over a way that with tears
has been watered, We have come treading
our path through the blood of the
slaughtered,
Out from the gloomy past, till now we stand
at last
Where the white gleam of our bright star is
cast.

God of our weary years,
God of our silent tears,
Thou who hast brought us thus far on the
way;
Thou who has by Thy might
Led us into the light,
Keep us forever in the path, we pray.
Lest our feet stray from the places, our God,
where we met Thee,
Lest our hearts, drunk with the wine of the
world, we forget Thee,
Shadowed beneath Thy hand, may we
forever stand,
True to our God, true to our native land.
