**Anything Can Happen**  
**Jonathan Nelson**

You are about to experience  
A life changing moment  
You won't be the same  
The same way you came  
Cos He's in our very midst  
You will be heal, delivered  
He's here to set you free  
And because God is here  
Anything can happen in here  
In here, in here, anything can  
happen in here  
In here, in here

This moment is designed  
For God to change your life  
[x3]

The heavens are open  
The portals are open  
My Spirit is open  
For God to do anything,  
anything [x2]

Because anything can happen  
In here, in here,

Something good is happening  
in here

(Something good, something  
good, something good) [x2]  
Miracles are happening in  
here  
(Miracles, miracles, miracles)  
Breakthrough is happening in  
here  
(Breakthrough, breakthrough,  
breakthrough) [repeat]

I am just one praise from my  
breakthrough

You are just one praise from  
your breakthrough  
Because anything can happen  
in here  
In here, in here  
Anything can happen in here

**Til We Meet Again**

I speak protection over you  
I speak life over you  
I speak love over you  
Till we meet again  
Till we meet again

May the LORD bless and keep you;  
Make His face shine upon you,  
And be gracious to you;"  
Till we meet again  
Till we meet again

**Give**

Give, give  
It's the only way to live  
Give, give  
It's the only way to live

I give my first fruits to You  
Cause I do love You  
Cheerfully, Abundantly  
I give to You  
That's why I

Give, give  
It's the only way to live  
Give, give  
It's the only way to live

That's why I... give

## **Lift Every Voice and Sing**

Lift every voice and sing  
Till earth and heaven ring,  
Ring with the harmonies of Liberty;  
Let our rejoicing rise,  
High as the listening skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has  
taught us, Sing a song full of the hope that the  
present has brought us, Facing the rising sun of  
our new day begun,  
Let us march on till victory is won.

Stony the road we trod,  
Bitter the chastening rod,  
Felt in the days when hope unborn had died;  
Yet with a steady beat,  
Have not our weary feet  
Come to the place for which our forefathers  
sighed?  
We have come over a way that with tears has  
been watered, We have come treading our path  
through the blood of the slaughtered,  
Out from the gloomy past, till now we stand at  
last  
Where the white gleam of our bright star is cast.

God of our weary years,  
God of our silent tears,  
Thou who hast brought us thus far on the way;  
Thou who has by Thy might

Led us into the light,  
Keep us forever in the path, we pray.  
Lest our feet stray from the places, our God,  
where we met Thee,  
Lest our hearts, drunk with the wine of the world,  
we forget Thee,  
Shadowed beneath Thy hand, may we forever  
stand,  
True to our God, true to our native land.
