Jesus I Love You
Jonathan Nelson

Millions of words can't describe
The feeling I have down inside
It's hard to contain it
So I'll simply say
Jesus I love, I love You

Because You first loved me say it
I'm returning my love unto You
This is my offering
I'm returning my love back to You

There is no other love
There's no other love quite like Yours
Jesus, I love, I love You

I love You

Here For You
Travis Greene

Oh, oh, oh, oh, oh

We're here for you
Let your Spirit move
As we shout your praise
From our hearts to your ears
All the glory's yours
Now forever more
Hear our worship
All we can give it for you
We're here for you

So we dance
We sing
We worship
You our king
We're here for you
We give
Everything
To the one who is worthy
Our hearts are ready Lord
We're here for you

Oh, oh, oh, oh, oh

If you don't come
We won't move
We're desperate Lord
For a touch from you

A touch from you (repeat)

Wide as the sky
Isabel Davis

Hands up hearts open wide as the sky
We lift You high We lift you high
Hands up hearts open wide as we cry
God, we lift your name high

Let all the other names fade away
Let all the other names fade away
'Til there's only You
Let all the other names fade away
Jesus take Your place
Jesus take Your place

We lift You high
We lift You high
We lift You high
We lift You high
Hands up God we lift Your name High

Let all the other names fade away
Let all the other names fade away, 'Til there's
only You
Let all the other names fade away. Jesus take
Your place. Jesus take Your place.

Like a fire, like a flood, come however You want
however You want
With Your Power, with Your Love come however
You want however You want
Let all the other names fade away
Let all the other names fade away, 'Til there's
only You
Let all the other names fade away. Jesus take
Your place. Jesus take Your Place.
